you have W^m Attkinson & Nancy Lightfoot m. July 8 - 1786

The Attkinson name appears as security on the upland
bonds - Could this Nancy be Ann - ?
did W^m Attkinson leave her a widow & is she
on the m-bond list as Nancy or Ann Attkinson?
m. & W^m Hayes - This seems worth
following -

The only W^m Hayes child's birthdate I have is
B. L. Hayes - 2/26/1798 (Isabella L. Hayes Thomas's title)
Believing him to be 2nd or 3rd son - These dates
would still fit — if W^m Hayes was Ann's 2nd husband.

July 30/39

Dear Mrs. Chapman -

I fully intended to send you the enclosed with
from Richmond - but after the trip to Mullin etc -
I was tied out - ditto after a day at Va. library
from there I went to Afton and back to Ga.
a hectic time has delayed me further -
No pardon my not even sending a card -

In Richmond I searched the Index of W. Sedgwick
through 6, must admit I did it very badly
as I did not understand the need of searching
both side of the index - When I found this,
I checked thoroughly vol. 3-4-5-6 - Had no
time to recheck 1-2 - or to search any later
vols - if any -

On a separate paper I have noted what may be of help.

The appointing of a guardian, & the date he was
dismissed, nearly settles Ann's age, does it not?

2.

here not guardians dismissed when orphans reached
18 or 21 - ?

It seems strange that a guardian was needed for
the sister Mary, who was married & had two
children - in 1775 -

The Ann Lightfoot marriages which I found are
eliminated by the facts -

Is the guardian Joseph Chapman one of your
husbands ancestors? That would be interesting -
There is no use in spending any time on Godwin or
other lines - until the marriage of Ann Lightfoot
da. of Bartholomew L. and William Hayes is proved.

I wish I could say - go the limit and find this
proof for me - but - times being what they
are I cannot do that, nor can I interest the
other descendants -

Suppose we say -
do \$15.00 worth of trial on this for me
and then let me hear - Is that customary
and reasonable? Please write frankly -

52
Let me hear from you by & by — and if
I am returning to Virginia this summer
I will notify you when and where —

Yours most sincerely,

Isabel T. Johnston.

By the way, I have Col. Robert Pitt and John Brazier
of Isle of Wight — in my circle meeting —
